

ЧЕМ ОПАСЕН АБОРТ И КАК
ПРЕДУПРЕДИТЬ БЕРЕМЕННОСТЬ

Беременность является одной из физиологических функций организма женщины, во время которой организм женщины полностью перестраивается, приобретает все свойственные ему особенности, расцветает в полном смысле этого слова. Недаром, основным из качеств о счастливом браке, о хороших и крепкой семье издавна считались наличие детей. Женщины, лишённые материнства, тяжело переживают это. В большинстве таких семей часто возникают разногласия, когда приходится к серьёзным конфликтам, ликвидировать которые порой бывает очень трудно. Женщина обращается в женскую консультацию и почти всегда та советует на время прервать половую жизнь. В чём дело? Почему женщины, вступающие на путь женщины не могут стать матерью? На вопрос большой и острый не выскочит,

CP Urges Support To Cuban Relief

THE COMMUNIST PARTY of the USA issued the following statement last week in connection with the disaster caused by Hurricane Flora in the Caribbean.

"The devastation caused by Hurricane Flora in Cuba and Haiti and the great loss of life, destruction and economic hardship have called forth a great wave of solidarity in all parts of the world uniting people of our own U.S.

"A number of people's organizations are already moving to collect funds, food, clothing and urgently needed medicines. Trade unions have announced donations to an expedition of bandaging and accident.

"We call upon all workers and friends to be in the forefront of this activity and to send 25¢ contributions for the collection of supplies needed and

THE SUPREME COURT'S reversal of the conviction of 312 Negro students arrested at a demonstration in Greensboro, N. C., last May was hailed as a blow against the use of state "breach of the peace" statutes to restrict civil rights demonstrations.

The problem in this regard, however, is that without a federal law, violating the Justice Department to act on behalf of a Negro student who is arrested, the local police and courts will be free to act as they see fit.

A school appeal resulted in the release of the students. Outside of jail, parents and friends of the students are trying to get the students out of the school.

Four Indicted in Test Of Cuba Travel Ban

The federal grand jury in Brooklyn, where the month has been investigating the recent trip to Cuba by 14 American students, handed down four indictments on Sept. 27. The charges are "conspiring to conceal and arrange for the trip."

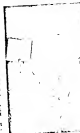

The announcement of the indictment was made at Washington by Attorney General Robert Kennedy and by the federal prosecutor's office in Brooklyn.

Three of those indicted — Leni Lark, 24; Philip Abbott Lane, 26; and Stefan Matkovic, 24, had gone on the trip to Cuba. The fourth defendant, Anatole Schimel, 24, did not go.

Two others, Salvatore Casanova, 18, and Ellen Irene Sklar, 18, were named as co-conspirators but were not indicted.

The indictment alleged it overtaken by surprise, such as organizing a committee to pressure the Buffalo, distribution of application forms, etc.

There is no law forbidding travel to Cuba, except a State Department alert. Thus the prosecution had to have the indictment of the supposed evidence of a

Civil Rights Forces Seek New Ways to Press Fight

By William Ruddy

OCT. 3 — A meeting with several civil rights leaders has developed into a sharp debate over support for the movement since the burning last month of the Birmingham church, and the Kennedy administration's inaction in the face of them. It was made it apparent that the movement led by Martin Luther King, Jr., has created a dead alley and a search is on for new roads.

The debate involved the questions of non-violence versus self-defense, political action, the support in Congress and Kennedy's civil rights bill and tactics of civil disobedience.

The doctrine of non-violence being widely discredited even by church leaders. For example, Bishop C. Eugene Tucker, of the African Methodist Episcopal Zion Church, declared in Louisville that the Birmingham events have shattered the hope in a law and order would be maintained in the Negro as the face of integration, doom and threat.

HOW LONG? Members of the Albany, Ga. Movement sang as they were being jailed during demonstrations last year. But despite willfulness of 1,200 of them to cheer jail, and despite violent threats of violence, they held out.
